

LED Strobe

Valcom's V-998 LED Strobe provides a cost effective and versatile solution to applications requiring visual alerts or strobes. The V-998 is ideal for corporate applications, educational institutions, entertainment complexes, industrial facilities, government buildings, healthcare facilities, transportation terminals or anywhere the need for critical alerts/public address exists. .

The V-998 is used with the Auxiliary Relay Unit for strobe activation and is expandable up to 6 relays by adding an expansion board..
