ARCHITECTS' AND ENGINEERS' SPECIFICATIONS MODEL V-URI UNIVERSAL RELAY CARD

The Universal Relay Card, model number V-URI shall provide 72 programmable switch inputs, 72 call assurance LED drivers and 8 programmable form C relays to a MultiPath Intercom System. The Universal Relay Card shall be capable of working in tandem with up to 4 other Universal Relay Cards in the same system. The Universal Relay Card relays shall be programmable to follow station access or system schedules. The Universal Relay Card shall feature at least 22 function options while the call assurance LED drivers shall be programmable to indicate station status.

Limited Warranty

Valcom, Inc. warrants this product to be free from defects in materials and workmanship under conditions of normal use and service for a period of one year from the date of shipment. The obligation under this warranty shall be limited to the replacement, repair or refund of any such defective device within the warranty period, provided that:

1. inspection by Valcom, Inc. indicates the validity of the claim,
2. the defect is not the result of damage, misuse, or negligence after the original shipment,
3. the product has not been in any way repaired by others and that factory sealed units are unopened.
(A service charge plus parts and labor will be applied to units defaced or physically damaged).
4. freight charges for the return of products to Valcom, Inc. are prepaid,
5. all units "out of warranty" are subject to a service charge. The service charge will cover minor repairs
(major repairs will be subject to additional charges for parts and labor).

This warranty is in lieu of and excludes all other warranties expressed or implied, and in no event shall Valcom, Inc. be liable for any anticipated profits, consequential damages, loss of time or other losses incurred by the buyer in connection with the purchase, operation or use of the product.

This warranty specifically excludes damage incurred in shipment. In the event a product is received in damaged condition, the carrier should be notified immediately. Claims for such damage should be filed with the carrier involved in accordance with the F.O.B. point.
