## What You Need To Know

**Attendees of the Technical Training will need an unblocked Windows 10 or higher laptop PC. Port restriction by protection programs may hinder the ability to perform in class programming. Please verify with your IT director before attending class.**

#### Attendees:

- Should bring a jacket or light sweater
- Should install the VIP-102B IP Solutions Setup Tool found at <http://www.Valcom.com/esd> on the laptop PC prior to travel
- Need an unblocked Windows 10 or higher laptop PC. Port restriction by protection programs may hinder the ability to perform in class programming. Please verify with your IT director before attending class.
- Registration will be complete when you receive confirmation via e-mail or telephone.

Please understand that your safety is paramount to us. To minimize risk, if we are still experiencing a pandemic, the following will apply:

- Unvaccinated individuals are requested to wear masks.
- If you are sick or have had direct exposure to Covid-19, or have a fever, do not attend. You will not be charged for the class.
- Valcom's total liability shall be limited to tuition reimbursement if this training event is delayed or prevented by an act of God, force majeure, or other circumstances outside of Valcom's control.

### How to Register:

**Fax or email a Purchase Order Number to:**

Valcom Engineered Systems Division  
Attention: ES Systems Training Mid October  
phone: 800-825-2661  
fax: 540-362-9800  
email: [is@Valcom.com](mailto:is@Valcom.com)

We will need to know the names of the attendee(s).

Registration will be complete when you receive confirmation via e-mail or telephone.

As with everything recently, dates are subject to change contingent upon the state of the pandemic.

Please be certain to pass this information along to your registrants.
