

Vandal-Resistant FlexHorns™

The Valcom Vandal-Resist FlexHorn™ is designed with the same functions of the traditional FlexHorn, but incorporates tamper-resistant faceplate and resistant screw removal. The Vandal-Resistant FlexHorn is also designed with a steel mesh security baffle that prevents objects from penetrating the speaker. The horns are available as one-way or talkback. Ideal for schools, prisons, industrial or areas where speakers could be a target for vandalism.

Features & Advantages

Steel Mesh Security Baffle

Prevents objects from penetrating the speaker.

Enclosed Flexhorn Speaker

Compact design horn is enclosed for additional security to prevent tampering.

Built-In Volume Control

Allows for comfortable volume levels.
